

JOURNEY TO HOPE YOUNG ADULT GRIEF SUPPORT GROUP

6 meetings over 12 weeks

Grief is challenging under any circumstances.
By providing a safe, caring, and confidential setting,
this group will help empower and equip young adults ages 19-25
with tools that will help them journey through the grief process.

This social setting is designed to be an educational support group
focused on empowering young adults to learn how to navigate their "new reality".

When a loved one dies, the grief process can be a difficult one... but you are not alone.
