**Grief Facilitator Training - Sat. March 7, 2020**  
(date will change if not enough volunteers)

New Hope for Kids Center for Grieving Children is offering training to become a volunteer grief support group facilitator. The Center for Grieving Children in Maitland FL provides grief support for children and families who have experienced the death of a loved one. The program helps children, teens and young adults cope with their grief and loss through the sharing of stories and experiences, as well as art, music and recreation. Service commitment is from August to May for volunteers and a pre-interview with a tour of the

facility is required. The next 18-hour training program will be offered in March. As our program is growing, we are in need of greater help. Please share this with friends, colleagues and fellow church members. *(A pre-interview is required prior to training)*
