Grief Facilitator Trainings scheduled for **Saturday, March 2 + Sunday, March 3** from 9 am - 4 pm each day

New Hope for Kids Center for Grieving Children is offering training to become a volunteer grief support group facilitator. The Center for Grieving Children in Maitland FL provides grief support for children and families who have experienced the death of a loved one. The program helps children, teens and young adults cope with their grief and loss through the sharing of stories and experiences, as well as art,

music and recreation. A one-year commitment is requested for volunteers and a pre-interview with a tour of the facility is required. The next 16-hour training program will be offered in March 2 + 3. As our program is growing, we are in need of greater help. Please share this with friends, colleagues and fellow church members. *(A pre-interview is required prior to training)*
