

NEW HOPE

Wishes For Kids

In 1985 the Wishes for Kids was founded as Children's Wish, a not-for-profit charity and is the longest running wish program in Central Florida. Wishes for Kids was created to provide hope and a once in a lifetime experience to children 2-18 years old fighting a life-threatening illness.

Although the Wishes for Kids Program is not able to cure the life-threatening illnesses of their wish children, it is proud to grant wishes and go beyond the wish – offering support, family events, camps and community for these special families.

Wishes for Kids Program 

Over 1,700 Wishes Granted!

Dear Parent,

New Hope for Kids grants wishes to children who live in Central Florida, are not yet 19 years of age who have been diagnosed with a life-threatening illness. This does NOT necessarily mean that the child is currently terminally ill. A life-threatening illness is defined by NHFK as any illness which will in all likelihood shorten the child's full life expectancy. Serious illness leaves little time or finances to accommodate a special wish, which could add something positive and encouraging to a child's life. New Hope for Kids offers a once-in-a-lifetime opportunity to make that wish come true!

We realize that a life-threatening illness causes serious emotional and financial strain on the entire family. While we are not able to cure your child's illness, we would like to brighten his/her life by making possible something he/she would like very much to have or do. If you have a child who would like to be considered for New Hope Wishes for Kids, please complete the attached forms accompanied by the medical acknowledgment verifying that your child has a life-threatening illness and is medically cleared to receive the requested wish.

It is crucial for the forms to be filled out completely including witness signatures and dates. Any adult present while you sign the forms can be a witness for your signature. A notary's seal is not required. You may email to tezmon@newhopeforkids.org, fax the application to (407) 331-3063 or mail to **New Hope for Kids at 544 Mayo Avenue, Maitland, FL 32751**. A visit will be arranged between parent(s), child and the New Hope for Kids Wish Director. New Hope for Kids' goal is to grant 100% of all wish requests of children meeting established criteria.

Sincerely,

Tezmon Oehler

Wish Program Director

Wish Guidelines

1. Wishes are granted by New Hope for Kids to a child (the "Wish Child") without regard to race, national origin, ethnic background, sex, religion or handicap.
2. The Wish Child must be eighteen years of age or younger when the application is received and be a resident in **Brevard, Lake, Orange, Osceola, Seminole and Volusia Counties. Additional counties require board approval.**
3. **The Wish Child's attending physician(s) must verify that the Wish Child has a life-threatening illness.** A life-threatening illness is defined by New Hope for Kids as any illness, which will in all likelihood shorten that child's full life expectancy. Parents or guardians must provide physician verification when submitting the application.
4. The Wish Child's attending physician(s) must give medical approval in writing of a wish in order for New Hope for Kids to grant the request.
5. Requests for boats, automobiles, motorcycles or other motorized conveyances will not be approved by New Hope for Kids.
6. Only one wish may be granted. New Hope for Kids does not grant wishes to a child who has previously received a wish from New Hope for Kids or another wish-granting organization.
7. Wishes must not exceed New Hope for Kid's corporate guidelines for the cost of a wish.
8. No additions to a wish request may be made once New Hope for Kids has processed the application.
9. Families are advised that New Hope for Kids cannot put a time frame on the granting of a wish. After approval, there is normally a period of 2 to 3 months before the wish is granted. This time lag results from the fact that the number of wishes may exceed the amount of funding and/or other necessary resources available at the time. New Hope for Kids has no obligation to consider applications in the order in which they are received.
11. Misinformation or forgery in any of the documents submitted to New Hope for Kids will lead to a cancellation of the wish.
12. New Hope for Kids is not responsible for the repair or maintenance costs of items that the child has received upon the granting of a wish.
13. If the Wish Child's physician(s) requests special arrangements in the granting of the wish, the parents are ultimately responsible for these arrangements, i.e.: medical equipment, presence of medical staff, etc.

Guidelines Continued

- 15. Trips will ordinarily be scheduled for five days and four nights. If funding permits and New Hope for Kids determines that the circumstances are justifiable, a trip may be extended by New Hope for Kids to seven days.

- 16. **New Hope for Kids does not pay medical bills or provide funds for emergency assistance.**

.....

PLEASE DATE AND SIGN THESE GUIDELINES WHERE INDICATED BELOW, HAVE YOUR SIGNATURES WITNESSED, AND RETURN THEM TO NEW HOPE FOR KIDS TOGETHER WITH THE COMPLETED AND SIGNED WISH APPLICATION, AND THE COMPLETED, SIGNED AND WITNESSED LIABILITY RELEASE AND PUBLICITY AGREEMENT. IN ADDITION, THE ATTACHED MEDICAL ACKNOWLEDGEMENT MUST BE COMPLETED AND RETURNED BY YOUR CHILD'S PHYSICIAN(S) BEFORE NEW HOPE FOR KIDS WILL CONSIDER GRANTING YOUR CHILD'S WISH.

We hereby represent that we have read, understand and agree to these Guidelines, and that the information in the attached Wish Application is true and correct.
